The California Raisins

© 1987 CALRAB

1. Introduction. Tiny Goodbite is a California Raisin. One evening, upon returning to his village after a busy day, he was met by a scene of destruction—the huts smashed, landscape destroyed. The entire village lain to waste. The ground trembled as trucks loaded with Tiny's companions drove off in the distance toward the Cereal Factory. Tiny immediately began chasing after the trucks in his hot-air balloon. But it was no use, the trucks were much faster. Tiny finally reached the Cereal Factory determined to find his friends.

You will be playing through B levels of the Cereal Factory, from level 7 down to level 1, and then you will take the elevator to level B. You have five lives at the start of the game.

Each level has a few meanies who will try to kill you. They will do so if they touch you. You may shoot the meanies if you are energized and are facing either left or right. In order to become energized, you will have to jump onto the green platform on each level. When you reach level B you will be energized automatically.

In order to proceed to the next level, you must obtain the key and unlock the door opposite the one you start from.

You will have to do the following in order to complete the levels:
