

The GEOS Program Directory was created in 1990 by Peter T. Hughes.			
Check more than the disks listed below as some other disks			
on the geoSpecific CD (or elsewhere) have newer versions.			
This is not the definitive list of GEOS software but is a good reference to a lot of software.			
Category		LOADSTAR geoPower Tools	geoSpecific CD at https://www.lyonlabs.org/
found		RUN products	
Available online		Official Berkeley	
can't locate		Storm Disk 1	zimmers.net - https://tinyurl.com/Bo-GEOS-files
		Gazette Mag / GEOS Collection disk
